Welcome Sponsors,
The Board of Governors is most pleased to have you participate in our fifth Annual Gala and Fundraiser.

A little about Central New York: We began twelve years ago with two children, and in 2019 we have twenty five children enrolled. Each child receives individual 1:1 tutoring for an hour per session two times per week during the course of the school year. We have provided services to one hundred forty nine children of whom eight have graduated. These children met the requirements of attaining grade level skills or above. We have trained and certified thirty nine tutors.

Currently, our after school services are free. We may have to consider charging in the future if we are unable to raise sufficient operating funds, but it is events like this and people like you who help provide the funds we need to operate.
