WHO WE ARE

We are a family of tutoring Centers across 13 states. We provide **FREE / REDUCED COST** literacy intervention for children living with dyslexia. Our program is supplying children with the reading skills they need to excel while building the next generation of dyslexia intervention specialists through our nationally accredited training program.

Since 1994, our Children's Dyslexia Centers have changed the lives of 16,000 children and trained over 4,200 educators.

HOW TO ENROLL

Formal testing must be conducted before contacting the Children's Dyslexia Center. Once this evaluation is completed, the parent should locate the nearest center, then call the Center Director, who will send an application to be completed and returned with supporting information.

OUR MISSION

The Children's Dyslexia Canters are equipping students with the skills and confidence they need to approach learning with eagerness and without fear.

Our dedicated educators make a difference in the lives of children with dyslexia every day through their work. The mission of each Dyslexia Center has three components:

EDUCATOR CERTIFICATION

Train tutors in the art, science and practice of tutoring children using the Orton-Gillingham approach to multisensory teaching of reading, spelling and writing;

STUDENT EDUCATION & SUPPORT

Provide the highest quality, state of the art, multisensory tutorial reading and written language instruction to children with a primary diagnosis of dyslexia. We reserve the right not to treat a child that has another diagnosis when, in our sole discretion, we determine that it will hinder the child's ability to benefit from our services;

SCIENTIFIC RESEARCH

Advance the body of scientific knowledge of dyslexia through support of clinical research, to improve today's standards and tomorrow's care.
